

Best value for general purpose shrink applications

POF CF shrink film is a centerfold shrink film for products including fresh food. It is strong and flexible, but softer than PVC film. POF film is also highly tear resistant with superior optical properties. The film has an excellent gloss and sparkle with low haze and crystal clear clarity for enhanced appearance and product appeal. POF film is very versatile and can be used with virtually any shrink machine. It is “smoke free” and meets complies with FDA and USDA regulations governing direct contact food packaging. The film has a high burnout resistance so there are no deposits on sealing wires. The strong skintight film extends the shelf life of products and also protects these products from dust, moisture, and oil damage. Moreover, the film will protect from pilfering as it provides a tamper proof package.

- **201** general purpose film is a clear, biaxially oriented, multilayer, polyolefin shrink film with the versatility to shrink wrap a wide variety of products. Quick Shrink-201 is a cost effective alternative to cross-linked films. This film combines good gloss and sparkle with excellent shrink capabilities and can be run on most shrink wrapping equipment
- **IR** film is an advanced, biaxially oriented, high clarity, cross-linked LLDPE shrink film with the versatility to shrink wrap a wide variety of products. Quick Shrink-IR is formulated and produced to ensure performance characteristics to meet even the toughest shrink wrapping applications. This film is compatible with nearly all shrink wrapping equipment in use today
- Excellent gloss and clarity for retail appeal
- Strong durable seals on a wide variety of sealing systems
- High tensile strength and tear resistance for added toughness
- Consistent machinability on semi-automatic and automatic wrappers
- High percentage of shrink allows film to conform tightly to irregular shapes
- Corrosion free sealing with no fumes or wire build up
- Good resistance to burn though created by tunnel temperature variations

| Stock # | Size | Thickness | #/Case | Weight |
|-----------------|--------------|-----------|--------|--------|
| OSB-4-6-100A | 4" x 6" | 100 | 500 | 1 |
| OSB-6-65-100A | 6" x 6.5" | 100 | 500 | 2 |
| OSB-65-105-100A | 6.5" x 10.5" | 100 | 500 | 3 |
| OSB-8-12-100A | 8" x 12" | 100 | 500 | 3 |
| OSB-12-16-100A | 12" x 16" | 100 | 500 | 3 |

POF shrink bags are convenient for quick and easy shrink wrapping. Speed up your packaging operations. Produce crystal clear packages in seconds. Ideal for archival packaging.
