

AIREZE®

Odor Encapsulator & Neutralizer

Designed to neutralize malodors, effectively reducing odor concentration and persistence. Environmentally safe solution for odor control, containing no petroleum distillates, alkalis or chlorinated solvents. Non-toxic, non-hazardous, and contains no hazardous air pollutants as promulgated under the Clean Air Act. Non-flammable, and non-combustible. Proven effective in the harshest odor environments.

Recommended for use in animal shelters and pet areas, athletic facilities, retirement and nursing homes, hospitals and other health care facilities, multi-family units, schools, office buildings, hotels/motels, restaurants, dumpsters and garbage cans, A/C returns and filters, and more. May be used on virtually all porous and non-porous surfaces. Always test for colorfastness in advance of using this product.

PRODUCT INFORMATION:

- Penetrates and encapsulates malodor molecules in air and on fabrics
- Effective on virtually all upholstery, carpeting and linens
- Eliminates odors associated with food, smoke, pets and mold

pH.....6.0 - 8.0

Packaged 12/1 qt Case, 4/1 gl Case, 5 gl Pail, 55 gl Drum

DIRECTIONS FOR USE:

Spray selected area 10-12 inches away from surface until evenly moist, or spray into air. Use freely for stronger odors.

IMPORTANT SAFETY INFORMATION:

Non-hazardous according to OSHA GHS Hazard Communication Standard (29CFR1910.1200).

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Store in cool, dry conditions in well sealed receptacles. Dispose of contents and container in accordance with local, regional, national and international regulations.

FIRST AID: IF ON SKIN: Generally the product does not irritate the skin. Rinse with warm water. If skin irritation continues, consult a doctor.

IF IN EYES: Remove contact lenses if worn. Rinse opened eye for several minutes under running water. Then consult a doctor. **IF INHALED:** Supply fresh air; consult doctor in case of complaints. **IF SWALLOWED:** Do not induce vomiting; call for medical help immediately. Rinse out mouth and then drink plenty of water.
