

CHERRY BLOSSOM

Super Concentrated Odor Counteractant

This cherry scented air freshener is water soluble and is designed to mask offensive odors that occur around the perimeter of buildings, in and around commercial waste treatment facilities. It is ideal for public utility commissions, as well as private contractors.

Areas of use include waste water treatment plants, portable toilets, trash dumpsters, compactors, incinerators, municipal or private dump sites, sewer lines, rendering plants, factory receiving areas and in-plant smokestack scrubbers to neutralize fumes and odors.

Types of odors controlled include decaying vegetation, animal waste, paint and petrochemical fumes, sewage, smoke, musty, mold and mildew, organic food and garbage spoilage.

PRODUCT INFORMATION:

- Goes to work instantly neutralizing foul odors
- Use as a contact spray, spray in air, or mix in a solution
- Designed for use in exterior applications including waste treatment facilities

pH 7.0
Form Liquid
Fragrance Fruit-like
Color Red
Packaged 4/1 gl Case, 5 gl Pail, 55 gl Drum

DIRECTIONS FOR USE:

Mix one to five ounces of deodorant to a gallon of water for normal use. Select and use dilution which masks the odor and leaves the air fresh and scented. Apply by spraying, mopping, wiping or soaking deodorant directly on the surface to be treated. DO NOT WASH OFF SURFACE. Apply as needed for odor control.

IMPORTANT SAFETY INFORMATION:

Non-hazardous according to OSHA GHS Hazard Communication Standard (29CFR1910.1200).

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Store in cool, dry conditions in well sealed receptacles. Dispose of contents and container in accordance with local, regional, national and international regulations.

FIRST AID: IF ON SKIN: Generally the product does not irritate the skin. Rinse with running water. If skin irritation continues, consult a doctor. **IF IN EYES:** Remove contact lenses if worn. Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor. **IF INHALED:** Supply fresh air; consult doctor in case of complaints. **IF SWALLOWED:** Do not induce vomiting; call for medical help immediately. Rinse out mouth and then drink plenty of water.
