

COIL RENEW

Coil Cleaner & Brightener

Highly effective mild acid coil cleaner removes scale, discoloration and stains from evaporator coils and air cooled condenser coils. For use on air conditioners, heating and refrigeration equipment. Frequent cleaning of coils will increase cooling efficiency, reduce fuel costs, and keep equipment running better for longer.

PRODUCT INFORMATION:

- For heating, air conditioning and refrigeration equipment
- Effectively dissolves deposits and grime, leaving coils clean and bright
- Easily rinses away with water

pH 1.5 - 2.5
Form Liquid
Fragrance Pleasant
Color Opaque light blue
Packaged 4/1 gal Case, 5 gal Pail, 55 gal Drum

DIRECTIONS FOR USE:

Spray undiluted product on to coils with trigger sprayer, or apply by brushing. Wait a few minutes, then flush with plenty of water.

IMPORTANT SAFETY INFORMATION:

WARNING

May be corrosive to metals. Causes skin irritation. Causes serious eye irritation.

Wear protective gloves, protective clothing, eye protection and face protection. Keep only in original container. Wash hands thoroughly after handling. Store in corrosive resistant container with a resistant inner liner.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. **IF ON SKIN:** Wash with plenty of soap and water. If skin irritation occurs: Get medical attention.
