

D-O

All Purpose Liquid Deodorant

This product is a versatile, concentrated odor eliminator. Its pleasant fragrance provides a lingering cover while it chemically attacks undesirable odors at their source. This product is designed to be mixed with water and will not leave a residue or film on hard surfaces, carpets or fabrics.

PRODUCT INFORMATION:

- Versatile deodorant for use in air, on hard surface and in carpets and fabric
- Contains quaternary ammonium compounds
- Neutralizes odors at their source with fragrant bouquet scent

pH.....5.0 - 8.0
FormLiquid
FragrancePleasant
Color..... Yellow
Packaged 12/1 qt Case, 4/1 gal Case

DIRECTIONS FOR USE:

AIR FRESHENER: A light misting through a trigger sprayer or atomizer will remove unpleasant odors and freshen the air. Dilute the concentrated 1:5 or 1:10 depending on personal preference.

GENERAL USE: A few drops of the concentrated in portable toilets, garbage disposals, air conditioner filters, waste receptacles reduces the threat of overpowering and distasteful odors.

CARPETS: Add two ounces to each gallon of shampoo solution to eliminate urine, vomit, smoke, mildew, and a variety of other distasteful odors. Not recommended for use on stain resistant carpets.

NURSING HOMES AND HOSPITALS: A drop or two in bed pans, portable toilets, and drainage bottles will eliminate odors without staining.

PET ODORS: Add a few drops of the concentrated into litter boxes to keep feces and urine odors from affecting the area. Adding the product to the rinse cycle when washing animal bedding will remove the "doggy odor" as well.

CLEANING EQUIPMENT: Add one ounce per gallon of solution when mopping floors or using an automatic floor scrubber. The added fresh scent provides a pleasant reminder of the sanitation standards being used at the facility.

IMPORTANT SAFETY INFORMATION:

Non-hazardous according to OSHA GHS Hazard Communication Standard (29CFR1910.1200).

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Store in cool, dry conditions in well sealed receptacles. Dispose of contents and container in accordance with local, regional, national and international regulations.

FIRST AID: IF ON SKIN: Generally the product does not irritate the skin. Rinse with warm water. If skin irritation continues, consult a doctor. **IF IN EYES:** Remove contact lenses if worn. Rinse opened eye for several minutes under running water. Then consult a doctor. **IF INHALED:** Supply fresh air; consult doctor in case of complaints. **IF SWALLOWED:** Do not induce vomiting; call for medical help immediately. Rinse out mouth and then drink plenty of water.
