

EXODUS

Carpet Extraction Cleaner Concentrate

Low foaming concentrate designed for use in all types of steam cleaning and self-contained extraction machines. Blend of detergents and builders formulated to aid jet-flushing action to remove carpet soil. Solubilizes residual detergent and depresses the foaming action. Will not clog pumps or seals and leaves no residue that can cause rapid re-soiling. Biodegradable ingredients and minimum phosphate content reduce the impact to the environment.

IMPORTANT: Always test hidden area for colorfastness prior to using this product. For best results, remove excess soil and waste matter prior to using this product. Not recommended for use on stain resistant carpet.

PRODUCT INFORMATION:

- Deeply cleans and lifts away heavy soils from carpet fibers
- For use in all extraction and steam machines
- Fast drying formula

pH 11.5 - 12.5
Form Liquid
Fragrance Citrus
Color Clear to straw color
Packaged 4/1 gl Case, 5 gl Pail, 55 gl Drum

DIRECTIONS FOR USE:

Premix solution at 2 oz. per gallon of water (1:64) and add to the solution tank. Prespray extreme traffic pattern with a carpet prespotter and treat stains before general cleaning. If carpet has been previously cleaned with a high foam system, spray the sides of the recovery tank with a defoamer to assure full capacity operation. Follow the directions for the equipment being used, and be sure to overlap each pass to avoid streaking. **NOTE:** Overwetting may have harmful effects on the carpet. Follow the instructions on the equipment being used. For best results place protective pads under furniture and keep foot traffic off carpet until completely dry.

IMPORTANT SAFETY INFORMATION:

DANGER

Causes skin irritation. Causes serious eye damage.

Wear protective gloves, protective clothing, eye protection and face protection. Wash hands thoroughly after handling.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs: Get medical attention.
