

FUMELESS

Heavy Duty Alkaline Drain Opener

Industrial strength liquid alkaline drain opener.
Removes obstructions caused by grease, hair, soap and other organic matter.
For use in all pipes.
Safe for use in septic systems when used as directed.
Eliminates the disagreeable fumes which are caused by ordinary dry form drain pipe cleaners.
Saponifies grease into a soft mass that easily flows through the drains.

PRODUCT INFORMATION:

- Clears drain clogs caused by grease, hair, soap and other organic build-up
- Recommended for use in kitchen and restroom drains
- Safe for use in all pipes and septic systems

DIRECTIONS FOR USE:

Bail out as much standing water as possible.

NOTE: Avoid contact with aluminum and chrome surfaces as discoloration and pitting may occur.

IMPORTANT SAFETY INFORMATION:

DANGER

Causes severe skin burns and eye damage.

PRECAUTIONS: Do not use with any other drain openers or chemicals that have failed to work on the drain clog as this can lead to possible eruption of Lye and release of toxic gases. Call a plumber. Do not use in the presence of children or pets. Do not use in garbage disposals, toilets, dishwashers or other appliances. Do not use a plunger while using this product as splashing may occur and cause injury. Do not breathe vapors. Wash hands thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection. Dispose of contents and container in accordance with local, regional, national and international regulations.

FIRST AID:

IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or physician.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

CONTAINS: sodium hydroxide (CAS# 1310-73-2), Potassium hydroxide (CAS# 1310-58-3).
