DIRECTIONS FOR USE:

DO NOT MIX WITH OTHER CHEMICALS.

Some individuals may be sensitive to ingredients in this product. Before use, read product label and Safety Data Sheet. If questions remain, consult your employer or a physician.

1. Sort laundry by color and fabric type. 2. Always read and follow care directions. 3. From care directions, choose proper wash cycle and water temperature. 4. Do not overload washer with soiled laundry. 5. Add Power Detergent: a. At 3.0 – 5.0 oz. per 50 lbs. of dry clothing depending on soil load. b. or at 0.5 – 1.0 oz. per 3 gallons of wash water. 6. For extremely soiled clothing, an extra wash cycle may be necessary.

Power Detergent is not recommended for use with top loading washers not equipped with automatic dosing systems. Fiber damage and/or corrosion may occur.

NOT RECOMMENDED FOR USE ON WOOL OR SILK.

IMPORTANT SAFETY INFORMATION:

DANGER

Causes severe skin burns and eye damage.

PRECAUTIONARY STATEMENTS: Do not breathe vapors. Wash hands thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection.

Dispose of contents and container in accordance with local, regional, national and international regulations.

FIRST AID: IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or physician. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting.

WARNING: This product can expose you to Diethanolamine, which is known to the State of California to cause Cancer.
