DIRECTIONS FOR USE:

Dilute product as follows: Rotary Machines: 1:50; Dry Foam Machines: 1:24; Upholstery Cleaning: 1:24; Partitions and blinds:1:24

PROCEDURE: Pretest carpet or fabric for colorfastness in an inconspicuous area. Vacuum area to be cleaned. Pretreat any spots or stains before cleaning. Follow directions for the equipment being used. Allow carpet or upholstery to completely dry before placing in service. If furniture must be replaced before carpet is dry, place protective pads under the furniture to avoid crushing and staining the pile.

IMPORTANT SAFETY INFORMATION:

WARNING

Causes skin irritation. Causes serious eye irritation.

Wear protective gloves, protective clothing, eye protection and face protection. Wash hands thoroughly after handling.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs: Get medical attention.
