

SEWER SOLV

Sewer Line & Large Drain Cleaner

Encapsulated exothermic action unclogs and maintains sewer lines in Municipal Systems and Industrial Plants. This product reacts quickly to dissolve grease and organic build-up. No flammable vapors. Highly synergized. Non-explosive.

PRODUCT INFORMATION:

- Unclogs and maintains sewer lines in municipal systems and industrial plants
- Reacts quickly to dissolve grease and organic build-up
- Strong alkaline formula heats rapidly and stays hot to burn through clogs

pH.....14.0
FormPowder
FragranceOdorless
Color.....Red
Packaged50 lb Pail

DIRECTIONS FOR USE:

MUNICIPALITIES: Shovel 25 to 50 lbs. (12 to 25 kilograms) into strategic manholes and flood with water. Let stand as long as possible. If necessary repeat at intervals until drain is cleared. **INDUSTRIAL:** In normal drains up to 3" diameter, use 2-4 pounds (1 to 2 kilograms).

In food plants with grease-plugged lines, 10 pounds (5 kilograms) will be necessary.

Excellent for use in grease traps of food plants (particularly in packing houses) where clogged drains are caused by accumulations of bacteria laden organic matter.

IMPORTANT

SAFE

HANDLING

INSTRUCTIONS:

KEEP FACE AWAY FROM FUMES: Do not use in presence of fire or open flames. No smoking while using product. Do not mix or use with any other chemicals. Do not use where any other drain chemical is present or violent reaction may occur. Keep away from flames when mixing solution. Use rubber gloves and goggles when handling product or solutions of product. This product generates heat in contact with water. Take any precaution to avoid mixing with combustibles. Keep away from heat, sparks, open flames and hot surfaces. - No smoking. Do not breathe vapors. Keep away from clothing and combustible materials.

IMPORTANT SAFETY INFORMATION:

DANGER:

May intensify fire; oxidiser. Causes severe skin burns and eye damage.

Wash hands thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection.

FIRST AID: Immediately call a POISON CENTER or physician. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Wash contaminated clothing before reuse. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting.

In case of fire: Use CO₂, powder or water spray for extinction. Store locked up. Dispose of contents and container in accordance with local, regional, national and international regulations.
