SHUR ORANGE

Natural Orange Degreaser Concentrate

Natural citrus cleaner/degreaser/deodorizer designed for food service, industrial and institutional applications. This product is particularly effective for cleaning stubborn grease deposits on quarry tile floors in food service areas and grease embedded industrial/automotive areas. This product is safe for cleaning Formica®, wood, porcelain, marble, ceramic tile, quarry tile, enamel, vinyl tile, stainless steel, aluminum, brass, other metals, butcher blocks, exhaust hoods and screens, printing presses, rollers, concrete and stone floors, linoleum, industrial equipment and automotive engines.

PRODUCT INFORMATION:

- · All-in-one citrus cleaner, degreaser and deodorant
- · High powered degreasing agents combine with natural orange oil
- · Biodegradable cleaner for use on virtually any surface

pH	12.0 - 13.0
Form	Liquid
Fragrance	Fruit-like
Color	Clear
Packaged	4/1 GL Case, 5 GL Pail, 55 GL Drum

DIRECTIONS FOR USE:

GENERAL CLEANING: Use 1 - 2 oz. per gallon of water. Apply solution directly to soiled surfaces. Allow to remain on soiled surface a few seconds, then wipe clean with wet sponge, damp cloth or mop. In USDA inspected facilities, follow with a potable water rinse prior to use.

HEAVY DUTY CLEANING: Dilute 2 - 4 oz. per gallon of water. For removing grease, oil, inks, carbon, dyes, latex and other stubborn soils, apply solution, agitate if necessary, then wipe with sponge, cloth or mop. On hard floors, scrub with deck brush or floor machine, rinse completely and wet vac or damp mop. Use squeegee method if floor drains are available.

IMPORTANT SAFETY INFORMATION:

DANGER

Causes severe skin burns and eye damage. May cause an allergic skin reaction.

Wear protective gloves, protective clothing, eye protection and face protection. Wash hands thoroughly after handling. Dispose of contents and container in accordance with local, regional, national and international regulations.

FIRST AID:

IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.
