

### Features

- 1.6 gallons per flush (gpf).
- Includes Polished Chrome right-hand trip lever.
- Combines with the K-4309 bowl to create a complete K-3589-RA Cimarron toilet.
- Coordinates with other products in the Cimarron collection.

### Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank to create a strong siphon during flushing.
- AquaPiston® canister allows water to flow into the bowl from all sides (360 degrees), increasing the power and effectiveness of the flush.
- Flush valve's 3:2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3" flapper for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.

### Installation

- Supply line sold separately.
- DryLock® System saves installation time and helps prevent water leakage.

### Recommended Products/Accessories

- K-4309 Elongated chair height toilet bowl
- K-23726 Drain treatment

### Codes/Standards

ASME A112.19.2/CSA B45.1
