

# TuF-Rite™ Whiteboard

with ABC Trim

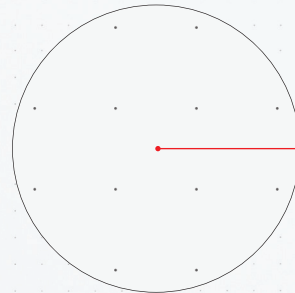

Trim accented with matching brushed aluminum corner caps

B

Available with a pale gray dot pattern to enable straighter writing and drawing

A

\* Thermal fuse technology for superior erasing performance

Black plastic end caps eliminate sharp corners

## A-B. TuF-Rite™ Whiteboard with ABC Trim

- TuF-Rite™ dry erase whiteboard surface provides a vast improvement over standard economy melamine boards. Thermal fuse technology improves erasability and lasts up to three times as long.
- Surface also available with a pale gray dot grid pattern to enable straighter writing and easier chart and graph drawing.
- Anodized aluminum ABC Trim has a .88" profile with hairline mitered corners. Top corners are protected with aluminum end caps. Full-length accessory tray includes plastic end caps to eliminate sharp corners.
- Five year guarantee.
