

TOP 5 REASONS TO BUY JOBOX

SECURITY: Site-Vault™ Security System 1

- 3-point system shielded by steel plates
- Full-length, high strength lock console
- Fluorescent, reflective lock indicator strip indicates when chest is unlocked, easy security check at night

STRENGTH: Heavily Reinforced Lid 2

- Lid bolster resists bending from cargo placed on top of the box and from attempted break-ins

DURABILITY: Textured Powder Paint 3

- Textured powder paint finish provides 10X more corrosion resistance, 5X more abrasion resistance and 2X more chip and scratch resistance

PORTABILITY: EZ-LOADERS® Skid Bolsters 4

- Load and unload from any side

ORGANIZED STORAGE: Shelving 5

- Lift-N-Stow™ bottom shelf lifts up for easier loading and unloading of large items in the bottom
- Built-in side wall storage bins provide extra organization and storage space

One piece 7-gauge stamped steel is more durable and rigid than standard construction

Locking system is located in the lid for improved rigidity, security and access
