926 McDonough Lake Road • Collinsville • Illinois 62234 • USA • www.marshship.com

Be sure to order your complete "Marsh System":
 • Stencil Machine • Ink • Oilboard • Applicators

The Marsh Stencil Machine works where you do - it's portable!

And you can count on sharp, clear stencil marks...the Marsh Stencil Machine makes the cleanest cuts with no tearing or pulling.

SHIPPERS PREFER MARSH QUALITY STENCIL FEATURES:

Punch and Die
 Case hardened dies have wear-proof cutting edges. Alloy punch is stronger, lasts longer than steel. Fits closer, cuts cleaner, is more corrosion resistant.

Aluminum Rotating Parts
 Lightweight for faster, smoother operation.

Clean Hand Wheel
 No spokes or lugs to interfere with hand.

Durable Finish
 Baked on powder coat industrial black finish.

Sealed-In Lubrication
 Parts rotating on center spindle "ride on oil" from impregnated felt ring in base of machine.

Large Dial
 Easy to read

Word Space Button and Release Lever and Button
 For quicker, neater, easier stencil cutting.

Accurate Spacing
 Simple cam and ratchet spaces automatically.

Quick, Shock-Free Centering
 Makes character selection smoother and easier.

Rubber Base Mounts
 Smooth, soft feel to cutting operation.

Lubricated Punch Shanks
 Felt rings impregnated with oil, on all 40 punch shanks, provide years of self-lubrication and reduce operating sound.
