

PIG® Oil-Only Barrel Top Absorbent Mat

#MAT544 - Light-weight • For 55-Gallon Steel Drum • 25 pads

Shaped to fit on drum tops to keep them clean, these oil-only absorbent mats last 2x longer than ordinary mats for fewer change-outs.

- Soak up pump drips without cluttering up your work space with dirty rags!
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Absorbs and retains oils and fuels – including lubricants - not water
- Brown color hides grime, and makes this the oil-only mat that looks cleaner longer
- Fits 55-gallon steel drum tops; Pre-cut with holes for 3/4" and 2" bungs to provide a perfect fit
- Light-weight construction is economical for less frequently used drum pumps
