

# PIG Product Line Card

## Absorbent Mats

PIG Mat is the #1 brand worldwide for leaks, drips and spills — absorbs anything, works everywhere.

### PIG Universal Absorbent Mat

Supertough PIG Mat lasts 2X longer than ordinary mats for fewer changeouts.

### PIG Oil-Only Absorbent Mat

Absorbs only oil and fuel, never water. It's the most cost-effective choice when you only need to absorb oil.

### PIG HazMat Absorbent Mat

Specially treated for absorbing even high concentrations of acids, bases and unknown liquids.

### PIG Grippy Absorbent Mat

The only absorbent mat with Grippy® adhesive backing stays put no matter what.®

### PIG Grippy Traffic Mat

Specially formulated Grippy® backing keeps mat firmly in place, even under heavy forklift traffic.

### Pig Blue Absorbent Mat

Our most absorbent mat easily handles high-volume leaks and spills.

### PIG 4 in 1 Absorbent Mat

Handle your liquid messes with our most versatile mat — use it as a pad, roll, sock or wiper!

### PIG Elephant Mat

Zigzag-stitched Elephant Mat delivers absorbency plus walk-on durability.

### PIG Chat Mat

Keep floors dry with an absorbent, hi-viz mat while delivering a safety message that can't be ignored.

## Socks, Pillows & More

Need more than a mat? These products help you control leaks and spills of all sizes.

### PIG Socks

Stop leaks and spills from spreading with the widest selection of tough, economical socks you can find.

### PIG Pillows

High-capacity pillows deliver the absorbency you need when the situation calls for more than a mat.

### PIG Loose

PIG Loose Absorbents are cleaner, safer and more efficient than clay.

### PIG Absorbent Drip Pan

Low-profile pan traps leaks from drum faucets, spigots and flanges.

### PIG Water Hog

Just drop in a Water Hog to remove water from fuel tanks; attached line for easy retrieval.

## Spill Kits

Only PIG Spill Kits contain field-proven PIG Absorbents — the world's #1 brand.

### PIG Spill Kits in Overpack Salvage Drums

Strong enough to be UN Rated for shipping spill cleanup waste.

### PIG Spill Kits in Mobile Containers

These lightweight container kits packed with absorbents roll right to the site of spills.

### PIG Spill Kits in Bags

Spill response essentials are packed in compact bags that store nearly anywhere.

### PIG Spill Kits in Cabinets

This cabinet ships assembled and is ready to be your spill response center.

### PIG Spill Kits in Chests

Absorb up to 143 gallons with our largest spill kit.

## Leak Diverters

Stop devastating roof leak damage to protect your people, equipment and inventory.

### PIG Square Roof Leak Diverter

Hang easily in problem spots to catch leaks and channel them to floor drains or containers.

### PIG Umbrella-Style Roof Leak Diverter

Easy-open, single-hook design makes this diverter the fastest you can buy for channeling away roof leaks.

### PIG Pipe Leak Diverter Bucket Kit

Quickly respond to pipe leaks with a kit that's loaded with supplies to divert leaks and repair the pipe.

## Drain Covers & Barriers

New Pig has the toughest, tightest-sealing products to keep contaminants out of drains.

### PIG Rapid Response DrainBlocker Drain Covers

Helps you meet spill plan requirements and affordable enough to place near drains in all your spill-prone areas.

### PIG Drive-Over DrainBlocker Drain Covers

The toughest drain cover you can buy is the only one built for vehicle drive-overs — even from tanker traffic!

### PIG DrainBlocker Drain Covers with Dupont Elvaloy

Protect drains with a patented design that seals tight and won't rip — resists chemicals, UV rays and harsh weather.

### PIG SpillBlocker Dikes

Tear-resistant formulation and a tacky bottom layer hug floors to stop the spread of spills.

### PIG SpillBlocker Rough Surface Dikes

A sticky bottom layer forms a tight seal on asphalt and rough surfaces to confine spills and stop seepage.

### PIG Build-A-Berm Barriers

Build a semi-permanent barrier around your machinery or storage areas with our crush-resistant spill berms.

## Latching Drum Lids

Meet hazwaste regs with our latching lids featuring exclusive one-hand accessibility.

### PIG Latching Drum Lid

Keep drums covered with a hinged lid that easily opens and closes with one hand — no more nut and bolt ring hassles.

## Waste Minimization

Recycle aerosol cans to avoid the hassle and expense of hazwaste handling.

### PIG Aerosol Can Recycler

Puncture and drain your aerosol cans for easy, legal recycling.

## Regulatory Compliance

PIG products can help you comply with common EPA and OSHA regulations.

Regulation Summary	Top Products That Help You Comply
