

Compact Spill Kits Product Data Sheet

Compact Spill Kits

Grainger Items: 2KE66, 2KE67, 2KE68, 5TR06, 5TR07, 4WXR7, 24X082, 24X074

Issue: Most plants or fleets that encounter leaks, drips, sprays or spills and are required to maintain a spill control plan. Potential safety hazards are present around machinery or storage areas where a risk of injury or chemical reaction is possible.

Solution: Be prepared with a spill control plan that can be implemented with absorbent products readily available, either to use in case of an emergency, or to control daily leaks and spills that may occur.

Description: OIL-DRI® offers compact spill kits designed for universal, oil only applications. These convenient, quick-response spill kits have all the tools needed for emergency cleanup! All items come packed in a clear zip-lock bag for convenient self-contained storage. The Trucker spill kit is a bit larger and packaged in a nylon cinch top bag. They're all small enough to store in a vehicle or keep on hand where quick response is a must!
