

KNIVES ★ TOOLS

# PowerAssist

The new PowerAssist takes multi-tools to a new level. This is the first in the world to house not just one but two SOG Assisted Technology™ blades. Start to open the main blades, which are available when the main tool is closed, and S.A.T. takes over to complete opening. When not in use, these blades lock closed using

our patent pending side release. Flip open the tool and experience the precision of the heavy-duty plier capability and large wire cutters. Smooth handle surfaces promote comfort on even the toughest jobs.

## Key Selling Features:

- Exclusive SOG Assisted Technology blades (straight and serrated) and compound leverage generates twice the gripping power
- Satin polished stainless steel handles and plier head
- Total tools: 22
- Open: 7.0-inches, Closed: 4.6-inches, Weight: 9.6-ounces, Lifetime Warranty
- Includes leather (S66-L) or nylon (S66N-CP) carry pouch
