

Portable Toilet Deodorizer

Experience superior odor control in a safe, non-formaldehyde formula.

Portable Toilet Deodorizer is our most economically priced ready-to-use (RTU) formula. Using the same quality dye, fragrance and active ingredients as in all our toilet deodorizers, RTU will perform well where temperatures and traffic are at normal or lower levels. Can be used in multiple applications where sewer lines are not available. Portable restrooms, restroom trailers, septic and vault systems like those found in cities, municipalities, parks, and forest service as well as transportation services (RV, Bus, Train, Plane, etc).

Give your customers the elite experience they deserve.

Features:

- Superior Odor Control
- Powerful & Economical
- Non-Formaldehyde
- Strongest RTU Available
