

Tackle The Tough Parts

Heavy-Duty Butyl Degreaser

Ideal for cleaning auto engine parts and other difficult, grimy jobs, this industrial-strength butyl formulation cuts through a variety of greases, oils and other tough soils. Low-foaming and free-rinsing, it can be applied with a mop or pressure washer. A broad dilution range lets you use it for a variety of applications. Just dilute, apply, scrub and rinse.

Benefits:

- Premium-grade butyl cleaner and degreaser
- · Fast acting
- Economical formula dilutes up to 1 oz/gallon
- Biodegradable detergents

Directions for Use:

This degreaser can be used at a wide variety of dilutions for many different tasks. Dilute product to proper ratio according to information on label. Apply to surface by steam cleaner, mop, or brush and allow adequate contact time. Wipe or rinse away.

Applications:

- Auto shops
- Amusement parksMaintenance services
- Commercial printers
- commercial printers
- Newspaper printers
